Dear Sir/Madam

Amersham Tuesday Street Market

You may recall we wrote to you last year concerning the intention to re-position the weekly Tuesday street market held in Sycamore Road within the road to bring the two ends of the market together into a more central place.

Following discussions, taking account of access requirements and an application to Bucks County Council, the road closure order has been now been amended and works carried out in the highway to facilitate the re-positioning.

The market will therefore operate in this new position from this coming **Tuesday 17th July 2018**

The amended Road Closure Order will:-

- a) close the section of Sycamore Road between Woodside Close junction and the Helen Douglas House Charity Shop between 7am and 5pm on a Tuesday.
- b) remove the road closure between the old Iceland building and the junction with Rickmansworth Road/Woodside Road to allow vehicles to enter and park in this area.

The area between Woodside Close and the junction with Hill Avenue/Chesham Road will remain closed as is the current practice.

A plan is attached showing the amended road closure area.

This amendment will require vehicle deliveries to shops and businesses in the closed off section to be made either before the road closure comes into effect i.e. before 7am or, more preferably, on an alternative day to the Tuesday.

Classification: OFFICIAL

The Market Operator and the Charter Holder have, for a long time, wanted to amend the road closure order to bring both parts of the Market together in the road to provide a more cohesive market experience and operation for shoppers and Traders alike increase the vitality of the market and draw more people into Amersham which it is hoped will also benefit the businesses in Sycamore Road.

The Amersham Tuesday Market is a Charter Market, the Charter Holder being Mr W Tyrwhitt-Drake. Mr Tyrwhitt-Drake and the Council have awarded a joint contract to a Market Operator (currently the Amersham and Chesham Market Traders Co-Operative Ltd) to run both the Amersham Market and the Councils own Charter Market in Chesham. The Council also oversees the Amersham Market on behalf of Mr Tyrwhitt-Drake.

If you require any further information please do not hesitate to contact the Council using the email address estates@chiltern.gov.uk.

Yours sincerely
