

## Community Infrastructure Levy (CIL) rates summary 2022 Buckinghamshire East and South areas (formerly Chiltern and South Bucks)

This summary sets out the rates at which the Community Infrastructure Levy (CIL) will be charged by Buckinghamshire Council in the East and South areas (formerly Chiltern and South Bucks) for the 2022 calendar year.

This summary is prepared in line with the requirements of regulation 121C of the Community Infrastructure Levy Regulations 2010 (as amended).

The CIL charging schedule for these areas was adopted in January 2020. This charging schedule has not been subject to any amendments. Table 1 sets out the rates at which CIL will be applied for the 2022 calendar year (the “indexed rate”)

These rates have been calculated by applying the formula:

$$(R \times I_y) / I_c$$

$$\frac{R \times I_y}{I_c}$$

In this formula, R is the rate at which CIL is charged in the adopted Chiltern and South Bucks CIL charging schedule (2020). These rates are set out in table 2.

Ic is the index figure for the calendar year 2020 (“the year in which the charging schedule containing rate R took effect”). This figure was 334.

Iy is the index figure for the calendar year 2022, as published by the Royal Institute of Chartered Surveyors (RICS). This is 332.
